How do you chose what to photograph?

Think about choosing an interesting subject

BUT more importantly think about your composition, your timing, your use of light to make an engaging photograph.

The most interesting person/scene or thing in the world can be photographed in a really uninteresting way – and the other way!

Competition Rules

Each student/ teacher and parent can enter only **3 images** each.

Entries should be submitted as **JPEG files** attached to an email

Each individual JPEG photograph file should be retitled with your **name, photo-title, school and age group** and sent attached to an email photocompetition@ringwood.hants.sch.uk

Please make sure that your images are a good enough file size and quality to enlarge to A2 size for exhibition - ideally 2MB

With over a thousand entries entered into this competition, it's really important you **label** your photographs clearly.

The deadline for entries is **Friday 24th February 2023.**
